We have approved your request to pay your taxes in installments. Your first payment of \$1,169.00 is due on 10/28/2017. You agreed to make future payments of \$1,169.00 on the 28th of each following month until you have paid the full amount you owe.

The amount you owe as of 09/26/2017 is \$85,967.00. This amount does not include all accrued penalties and interest. We will charge applicable penalties and interest until you pay the full amount you owe, because you didn't pay your total tax when it was due.

Please send your monthly payments to reach us by the due date. Print your social security number or employer identification number clearly on your check or money order. If you change your address, please send your new address with your next payment.

Note: If the IRS is charging backup withholding on any of your accounts, it will continue. Having an installment agreement doesn't interrupt backup withholding.

Although we have established an installment plan for you, we must protect the government's interest. Therefore, a Notice of Federal Tax Lien

HAS ALREADY BEEN FILED

A Notice of Federal Tax Lien is a public notice that the government has a claim against your property to satisfy a debt. We will release (remove) the lien when you finish paying what you owe. We have the legal right to collect this money for up to 10 years.

You owe a shared responsibility payment (SRP) because one or more members of your tax household didn't have minimum essential health coverage, per Internal Revenue Code Section 5000A. The SRP amount that you owe is not subject to a Notice of Federal Tax Lien filing, a levy on your property, or the failure-to-pay penalty. However, we charge interest on unpaid SRP balances. We may also apply your federal tax refunds to the SRP balance until it is paid in full. If you need health coverage, visit healthcare.gov to learn about health insurance options that are available for you and your family, how to purchase health insurance, and how you might qualify to get financial assistance with the cost of insurance.

CONDITIONS OF THIS AGREEMENT:

- We must receive each payment by the date shown above. If you have a problem, contact us immediately.
- This agreement is based on your current financial condition. We may change or cancel it if our information shows that your ability to pay has changed significantly.
- We may cancel this agreement if you don't give us updated financial information when we ask for it.
- While this agreement is in effect, you must pay any federal taxes you owe on time.
- We will apply your federal tax refunds (if any) to the amount you owe until it is fully paid.
