Dear Taxpayer:

Thank you for your response dated Aug. 22, 2014, about the unpaid balance for the tax periods shown above.

We set up your installment agreement for you for the tax periods shown above based on your financial situation. Your payment is \$166.00, due on the 28th of each month, beginning on Oct. 28, 2014. Your payment will continue for this amount every month until you pay the balance in full or your financial situation changes.

Your financial information showed you'll have additional income available to apply to your tax debt due to payoff of a car loan or other debt. As a result, your payment will increase to \$561.00 on May 28, 2015 and continue at this amount until the balance is paid in full or your financial situation changes.

What you need to know about your installment agreement

We based this installment agreement on your current financial circumstances. We can review this agreement every two years and request new financial information from you.

We charge a \$120.00 user fee to cover the cost of providing an installment agreement. Even though your approved installment agreement payments may be less, your first payment must be at least \$120.00 to cover the fee.

We can reduce the installment agreement user fee for individuals whose income falls at or below levels in the IRS Installment Agreement Low Income Guidelines. You may qualify for this one-time reduction to your fee.
