Dear Taxpayer:

Thank you for making arrangements to resolve your account. This is in reply to your Form 433-D dated July 13, 2012, requesting a Direct Debit Installment Agreement.

We've received the information necessary to revise your installment agreement to a direct debit agreement and we'll begin automatic withdrawals of your monthly payment from your checking account. We'll deduct your payment of \$400.00 on the 18th of each month.

Your payment is scheduled to increase to \$500.00 on June 05, 2013 and continue at this amount for each month thereafter.

We charge a \$52.00 user fee to cover the cost of providing a Direct Debit Installment Agreement.

It's your responsibility to contact our office at least 15 days prior to your monthly due date to stop a payment from being deducted from your checking account.

Before we can accept your monthly payments automatically, financial regulations require us to verify your account information.

We've scheduled your first payment to be automatically taken from your checking account on Oct. 18, 2012. If this payment isn't automatically taken from your account as planned, please allow one more month before contacting us to report any problems.

To reduce the amount of penalty and interest you'll pay on the unpaid balance, you may send in monthly payments until we start automatically taking payments from your checking account.

When you send payments by mail, please make your check payable to the United States Treasury and write your Social Security or Employer Identification Number on it. Include with your payment a daytime telephone number where we can call you, the tax year you are paying
