Dear Taxpayer:

Thank you for making arrangements to resolve your account.
This is in reply to your Form 433-D dated Oct. 11, 2012,
requesting a Direct Debit Installment Agreement.

We've accepted your offer to have your monthly installment payments
automatically taken from your checking account. We'll deduct your
payment of $685.00 on the 28th of each month.

We charge a $52.00 user fee to cover the cost of providing a Direct
Debit Installment Agreement.

It's your responsibility to contact our office at least 15 days prior
to your monthly due date to stop a payment from being deducted from
your checking account.

Before we can accept your monthly payments automatically, financial
regulations require us to verify your account information.

We've scheduled your first payment to be automatically taken from
your checking account on Dec. 28, 2012. If this payment isn't
automatically taken from your account as planned, please allow one
more month before contacting us to report any problems.

To reduce the amount of penalty and interest you'll pay on the
unpaid balance, you may send in monthly payments until we start
automatically taking payments from your checking account.

When you send payments by mail, please make your check payable to the
United States Treasury and write your Social Security or Employer
Identification Number on it. Include with your payment a daytime
telephone number where we can call you, the tax year you are paying
for, and the tax form number you filed for that year.

In order to maintain your Electronic Installment Agreement, we
must have current information. If you change your account or financial
