Dear Mr. McConaughy:

This letter is to advise you that your client's Offer-in-Compromise application has been received. The Ohio Department of Taxation has **rejected your client's offer of \$1,000.00** and has **agreed to accept \$14,000** to settle a current balance of \$24,951.63, which is represented by the above listed Tax Assessments. This amount is in addition to any payments that may have been made in the past.

This counter offer will lapse at 5:00 pm on April 27, 2015. If you are interested in accepting our offer in compromise or if you wish to set up a payment plan, contact us for an OIC agreement and payment arrangements **before** the deadline. **The payment itself should indicate clearly that the monies are for an OIC Account and should display one of the above referenced account numbers.** Please note that lien releases shall not be issued until the counter offer is received in full. Please advise us in writing where you would like any lien releases sent. The State of Ohio is not responsible for any filing fees charged at the county level for filing lien releases.

This offer applies only to those obligations specifically referenced above. Any other claims that the Department of Taxation or any other agency of the State of Ohio may have either currently or in the future, are not waived, released, or otherwise affected by this offer. **Please be advised that this counter offer is not negotiable.** If you have any further questions, feel free to contact the Offer in Compromise Unit at 614-779-0105.

Sincerely,

Michelle L. Scaglione
