We approved your request to pay your taxes in installments. Your first payment of \$487.00 is due on 07/28/2018. You agreed to make future payments of \$487.00 on the 28th of each following month until you have paid the full amount you owe.

The amount you owe as of 06/28/2018 is \$189,487.89 . This amount does not include all accrued penalties and interest. We will charge applicable penalties and interest until you pay the full amount you owe, because you didn't pay your total tax when it was due.

You agreed to pay us by Direct Debit. This means your financial institution will subtract (debit) the amount of your monthly payment from your checking/savings account on the same day each month and send that amount to us. Paying by direct debit also authorizes a financial institution to receive confidential information necessary to answer inquiries and resolve issues related to your payment. Remember to subtract the payments from your account balance each month.

If you don't have enough money in your checking/savings account for the monthly payment, we must charge a penalty of \$25 or two percent of your monthly payment, whichever is larger. If your monthly payment is less than \$25, the penalty amount will be the payment amount.

Note: If the IRS is charging backup withholding on any of your accounts, it will continue. Having an installment agreement doesn't interrupt backup withholding.

Although we have established an installment plan for you, we must protect the government's interest. Therefore, a Notice of Federal Tax Lien

HAS ALREADY BEEN FILED

A Notice of Federal Tax Lien is a public notice that the government has a claim against your property to satisfy a debt. We will release (remove) the lien when you finish paying what you owe. We have the legal right to collect this money for up to 10 years.

You owe a shared responsibility payment (SRP) because one or more members of your tax household didn't have minimum essential health coverage, per Internal Revenue Code Section 5000A. The SRP amount that you owe is not subject to a Notice of Federal Tax Lien filing, a levy on your property, or the failure-to-pay penalty. However, we charge interest on unpaid SRP balances. We may also apply your federal tax refunds to the SRP balance until it is paid in full. If you need health coverage, visit healthcare.gov to learn about health insurance options that are available for you and your family, how to purchase health insurance, and how you might qualify to get financial assistance with the cost of insurance.
