Dear Taxpayer:

This is in reply to our telephone conversation on July 18, 2013, concerning the unpaid tax for the tax year(s) shown above.

We've accepted your offer to have your monthly installment payments automatically taken from your checking account. We'll deduct your payment of \$360.00 on the 28th of each month.

We charge a \$52.00 user fee to cover the cost of providing a Direct Debit Installment Agreement. However, a review of your account found you have qualified for a reduced fee of \$43.00, due to your income level.

It's your responsibility to contact our office at least 15 days prior to your monthly due date to stop a payment from being deducted from your checking account.

Before we can accept your monthly payments automatically, financial regulations require us to verify your account information.

We've scheduled your first payment to be automatically taken from your checking account on Aug. 28, 2013. If this payment isn't automatically taken from your account as planned, please allow one more month before contacting us to report any problems.

To reduce the amount of penalty and interest you'll pay on the unpaid balance, you may send in monthly payments until we start automatically taking payments from your checking account.

When you send payments by mail, please make your check payable to the United States Treasury and write your Social Security or Employer Identification Number on it. Include with your payment a daytime telephone number where we can call you, the tax year you are paying
