Dear Taxpayer:

Thank you for making arrangements to resolve your account.
This is in reply to your Form 433-D dated Apr. 17, 2012,
requesting a Direct Debit Installment Agreement.

Based on the income amounts you provided on Form 9465-FS, we've
established your Installment Agreement for a minimum payment amount of
$419.00. We'll deduct this payment of $419.00 on the 28th of each
month. As long as your agreement remains in good standing, we will
not file a lien.

Since you offered to pay more, please do so as you are able, but
additional amounts will not be deducted from your checking account.
Visit www.irs.gov/e-pay for information on paying your taxes
electronically, including by credit or debit card. If you don't have
access to the internet, call EFTPS Customer Service at 1-800-316-6541.

We charge a $52.00 user fee to cover the cost of providing a Direct
Debit Installment Agreement.

It's your responsibility to contact our office at least 15 days prior
to your monthly due date to stop a payment from being deducted from
your checking account.

Before we can accept your monthly payments automatically, financial
regulations require us to verify your account information.

We've scheduled your first payment to be automatically taken from
your checking account on May 28, 2012. If this payment isn't
automatically taken from your account as planned, please allow one
more month before contacting us to report any problems.

To reduce the amount of penalty and interest you'll pay on the
unpaid balance, you may send in monthly payments until we start
automatically taking payments from your checking account.
